

RSS Feeds Quick Poll Comments

Need more information

Feed me! RSS is the way to go!

if it contained recall, overdue, hold notices etc...

I do not know what the RSS feeds are

If I new what RSS feeds were

I might be interested if I knew what it was! ;-)

i don't know what they are

I am surprised by the fact that I have not heard of a "RSS Feed(s)"; maybe it's my lack of awareness around campus but I consider myself a rather "aware" student in that regard.

What the heck are RSS feeds?

Not sure what RSS feeds is so not quite sure how interested i am.

I would like information on RSS Feeds

RSS is the way of the future man

look forward to RSS feeds

I think RSS feeds are great

RSS feeds are VERY easy to implement if you have a dynamic news site built- and I feel that they will be very important in the next five years
